# ABOUT US

We are a provider of third-party inspection, HSE training, materials testing (DT and NDT), and operator certifications.

Our motto is to work for peace based on social justice. Our mandate is to improve the condition, health, and safety of workers, and our mission is universal.

"To establish safe and efficient work places through innovative inspection and training solutions. We aim to enhance operational efficiency and business value for our clients by delivering dedicated customer service and upholding the highest standards of safety and quality in all our ser-

Our vision is to be a leading provider of third party inspection, training, material testing, NDT, and Certification services across multiple industries. We strive to ensure the authenticity of our certifications .

# THIRD PARTY INSPECTION SERVICES

- Marine Services Inspection Consultancy
- Industrial Machineries Inspection
- Lifting Equipment Inspection
- Lifting Gears/Accessories Inspection
- Heavy Equipment and Earth-Moving Machineries
- Scaffolding Inspection
- Elevators, Escalators Inspection
- Aerial/Powered Platform Inspection
- All types of PPE Inspection

- Pressure Vessels Inspection
- Storage Tanks, Oil & Gas Tanks, and Water Tanks
- All types of load tests/Pull Out Tests and Drop Test
- Non-Destructive Testing (NDT-UT, MT & PT)

# OUR TRAINING PROGRAMS

- Crane Operator Training Course
- Rigger Training Course
- Banksman Safety Training Course
- Training Course for Earth Moving Machinery Operator
- Cradle Operator Safety Training Course

- Work at height Safety Course
- Forklift Operator Safety Training Course
- Cutting Machine Operator Safety Training Course
- Training Course on Safety for Bending Machine Operators
- Electrical Safety Training Course
- Training Course on the Safety of Scaffolding erection and dismantling Scaffolds

- Confined Space Entry Training Course
- BMU Safety Training Course
- Construction Hoist Operator Safety Training Course
- Energy Isolation Training course (LOTO)
- Defensive Driving Safety Training Course
- Training Skills for Concrete Pump Operator
- Training Course on General Safety on the Construction
- Training Course in using Power Hand Tools
- Welding Training Course
- Training Skills for Lifting Supervisor
- Training Skills for Scaffolding Supervisor
- Training Course in safety for MEWP Operators
- Manual Handling & Material Handling Safety Training
- Brazing and Soldering Training
- Authorized Gas Tester Training
- Permit to Work Safety Training
- EOT Crane Operator Safety Training
- Crawler Crane Operator Training
- Bobcat Operator Training
- Threading Machine Operator Training
- Training for Appointed Person in Lifting Operation Safety
- H2S Awareness
- Basic HSE Training Course
- CNC Machine Operator Safety Training
- Concrete Mixer Safety Training
- Drilling Machine Operator Training
- Environmental Awareness
- Excavator Operator Safety Training
- Hdpe Welder Safety Training
- Heat Stress Safety Training
- Industrial Machines Safety Training
- Life Line installation Training
- Mobile Scaffolding inspector Training
- Mobile Scaffolding Safety Training
- Personal Protective Equipment (PPE) Safety Training
- Pilling Rig Operator Safety Training
- Rigger Safety Training-2
- Safe Chemical Handling
- Signal Man Safety Training
- Work At Height & Rescue Safety Training
- Safe Erection & Dismantling of Tower Crane

# NDT

## TESTING & CERTIFICATION

- Ultrasonic Testing
- MPT-Magnetic Particle Testing
- Dye Penetrant Testing
- Radiographic Testing

## WELDING TRAINING COURSE

- NDT Level II
- Welder Qualification Test (WQT)
- Welding Procedure Specification (WPS)
- Procedure Qualification Record (PQR)

# APPROVALS

Inspections are Approved by

**EIAC**

Trainings are Approved by

**KHDA**
